Introduction

Jordan Manufacturing Company, Inc. is a family owned and operated business located in Monticello, IN, and has been a leader in the outdoor industry for over 30 years. Our innovative replacement cushion program has been expanded with our new state-of-the-art manufacturing facility and equipment, that opened in April 2007.

The Jor collection is our extended line of high end patio cushions designed for customers who desire the best in fabric, design, and quality. We offer a wide range of replacment cushions to fit most furniture styles. Jordan has the ability to design and match various furniture manufacturers cushions in a replacement capacity. In many cases we offer a higher level of quality and design than the original manufacturer. Our formula for design and quality, coupled with hundreds of pattern choices adds up to a formula that is second to none in the industry.

We Drop Ship

Why drop ship? It's simple; drop shipping product saves you time, money and expands product selections. All of this adds up to increased sales and higher margins in the product category. Drop shipping reduces inventory and warehouse costs, not to mention labor costs associated with product handling. Jordan takes the hassle out of the drop shipping process by maintaining inventory levels to ensure on timely delivery of products direct to your store or customer's home. In most cases, Jordan ships within a three to four working day window of receiving the order. Jordan is fully EDI capable and has been for a number of years; which means faster and more accurate processing of orders. Sit back, relax and let Jordan take the headache out of drop shipping!

Patio Cushions

The Jor collection is our extended line of high end patio cushions designed for customers who desire the best in fabric, design, and quality. We offer a wide range of replacement cushions to fit most furniture styles. Jordan has the ability to design and match various furniture manufacturers cushions in a replacement capacity. In many cases we offer a higher level of quality and design than the original manufacturer. Our formula for design and quality, coupled with hundreds of pattern choices adds up to a formula that is second to none in the industry.
